

**SIA Winter “Back to Basics” Conference
Meet & Greet Roundtable Discussions
Tuesday, 23 February 2010, 5:30–7:00 PM
Salon ABF**

Registered Attendees Only

U.S. Government officials representing DDTC and DTSA, along with Industry speakers, will be available for you to meet during this session. You will have an opportunity to meet and speak directly with the regulators, as well as meeting and networking with other conference speakers and invited guests.

The tables will be identified by the U.S. Government agency or conference topic. This event is first come, first served.

Please limit your questions and move to the next table, allowing other attendees to participate. If time permits, you may rotate back for additional questions.

Basics: 5W’s & How of Defense Trade Licensing & Compliance – (DDTC & Industry)

This table will address questions about getting started with the ITAR.

Agreements Table – (DDTC & Industry)

This table will address questions related to the preparation and use of agreements, as well as the process for agreement review and approval.

Licensing Table – (DDTC, DTSA & Industry)

The table will address questions concerning preparation, processing, and use of ITAR export licenses, including the U.S. Government’s review process.

Exemptions Table – (DDTC & Industry)

The table will address questions concerning the use of ITAR exemptions.

Compliance Best Practices – (DDTC)

Visit this table to learn more about DDTC’s Compliance Requirements.

Company Compliance Programs – Management Commitment/Responsibilities of Export Personnel (Industry)

Visit this table for insight into effective company compliance programs as well as ITAR compliance “best practices”.

Customs and Shipping Table – (Industry)

This table will address questions concerning proper documentation and shipment of ITAR-controlled goods pursuant to export authorizations and exemptions.
